

std::false_type

```
classDiagram
    class std_false_type["std::false_type"]
    class playrho_detail_IsIterableImpl["playrho::detail::IsIterableImpl< T, class >"]
    std_false_type <|-- playrho_detail_IsIterableImpl
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'std::false_type'. It is divided into three horizontal sections by two thin black lines. The bottom box is gray with a black border and contains the text 'playrho::detail::IsIterableImpl< T, class >'. It is also divided into three horizontal sections by two thin black lines. A blue arrow points from the top edge of the gray box to the bottom edge of the white box, indicating an inheritance relationship.

playrho::detail::IsIterable
Impl< T, class >
